Rev. 11-3/98

Effective March 1998

As a below named inventor, I hereby declare that: my residence, post office address and citizenship are as stated below next to my name; that I verily believe that I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural inventors are named below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

#### Title: COMMUNICATION SYSTEM

of which is described and claimed in:	
() the attached specification, or	
() the specification in application Serial No, filed, and with amendments through (if applicable),	
() the specification in International Application No, filed, and as amended on	(if applicable), or
(X)letters patent number 5,802,241 granted on September 1, 1998 and in the attached specification for which I	solicit a reissue
patent.	

I hereby state that I have reviewed and understand the content of the above-identified specification, including the claims, as amended by any amendment(s) referred to above.

I acknowledge my duty to disclose to the Patent and Trademark Office all information known to me to be material to patentability as defined in Title 37, Code of Federal Regulations, §1.56.

I hereby claim priority benefits under Title 35, United States Code, §119 (and §172 if this application is for a Design) of any application(s) for patent or inventor's certificate listed below and have also identified below any application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:
